Hi Matt, here's the info.

Bill, FYI, I'm still planning to have Matt or Lisa attend this with me. Let me know if you want to discuss.

Subject: Alaska 2015 HHC Public Workshop

Good afternoon

In my conversations with Lon Kissinger he has told me he intends to come up to Anchorage for the DEC Human Health Criteria Public Workshop in October but I do not know whether other EPA staff intend to join us as well.

The reason I am asking is that I'm in the process of developing our agenda and would like to have EPA provide a short summary of HHC on a national level (issuance of 2015 criteria/actions in other regions) to the group. By short I mean no more than 30 min (+ 10 for questions) but that can be a point of discussion.

Please let me know of your intentions at your earliest convenience.

Thank you,

Brock Tabor
